

## John 14:1-13 “I Am the Way”

---

### Discussion Questions

#### INTRODUCTION

Jesus is about to be arrested, tried and crucified while the disciples scatter. After washing their feet and predicting Peter’s denial, Jesus tries to tell the disciples about what is going to happen to him and where is going. Jesus says that He is the way to eternal life, He is the truth that has come to dispel the life, and he will give us life by suffering death.

#### DISCUSSION & APPLICATION

1. Read John 14:1-7. What kinds of anxieties do you experience? How might the promise of eternity help in the midst of anxiety?
2. Why is it difficult to put your faith in God in your daily life? What is it about the daily grind that pulls us away from the Lord?
3. While Bible studies, prayer and church attendance are important, why is it inappropriate to put your faith in those things? How is that different that putting your faith on Christ?
4. Why is the self-sacrifice of Christ difficult for us to understand and comprehend?
5. What does Jesus mean when he says he is going “to prepare a place for you?” Why is it important that the focus of eternity is being with God rather than getting things from God?
6. How is the Holy Spirit, God with us, meant to aid us while we wait for the return of Christ? What are we meant to do while we wait for Christ’s return?

#### PRAYER

Spend some time in prayer with one another for things drawn out of the discussion.
