### Discussion Questions

#### INTRODUCTION

Paul opens his letter to the church at Corinth by reminding them of the richness of the Gospel of Jesus Christ. He reminds us that we have been purchased into the fellowship of the body of Christ, and that we are to walk in that fellowship until Christ returns in glory.

#### DISCUSSION & APPLICATION

1. What are some immoral tendencies that you observe in your culture? What distracted the Corinthian church from their Identity in Christ? What distractions do you experience in life?
2. What is sanctification? What does Paul mean when he says “you were sanctified?” What is the calling of a Christian? What does it mean that Christians are called to be holy? Does God expect us to be morally perfect?
3. Read verse 8 and 9. How does God’s grace aid us in fighting sin? What is the role of the local church in fighting against sin? What are some ways that we can fight to remember our identity in Christ?
4. What is our natural response when we or someone we disciple makes mistakes and doesn’t walk in step with the Gospel? How can we point ourselves and others back to Christ?

#### PRAYER

Spend some time in prayer with one another for things drawn out of the discussion.
